PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 273A to Encinal, Texas, as that community's first aural broadcast transmission service. Encinal is an incorporated city with a population exceeding 835 people. Encinal has its own pro-temp mayor, Javier Mancha, its own post office, its own elementary school system, its own volunteer fire department and a number of local churches.

Respectfully submitted,
